

ACROSS

- Conductor is amateur about the king.
- Go around a filter.
- Something to do while we sit here and decay.
- Not the objective but to do with the eyes.
- Frequently, 10 has this magnification.
- Eat rust? Over my height.
- An attractive string bag for your glossies?
- Around us, his Japanese rice dish.
- Build upright.
- Californian canvas home is hidden.
- Life is full of these up and downs, free of charge.
- Put this in your 17, investigator.
- Ancient Greek mission to the Moon.
- Dangerous angle.

- Outward, the unknown factor in lasting forever.

- Sailplane, sometimes owing.

DOWN

- Not the first, and didn't use Newton's Third Law, unlike all the modern versions of this engine.
- Get off and on fire.
- Never changing clothes.
- Old African on the Mediterranean.
- Live insulation for the former PM.
- Excluded physicist?
- Emphasis on pressure.
- Chef's lovely dinner, being loud on the direction.
- Carry this on your back, or back it here.
- "I hear you'd like to be introduced to my donkey", said Pooh.

You'll have to wish upon a falling star.

- A saint with animals, yes, yes.
- Foolish boy muddled NY inn.
- Strike action doesn't halt the press, just one sheet.
- Hip bones found in Rimini? Liar!
- Half of Belgian character is metal.
- Swarming at the start of the course before the dynasty.
- In Thai, about middle eastern food paste
- A spheroid but not a sphere.
- How much? It's worth this.
- Spike found in bath ornament.
- After Ed, spreadsheet produces exams.
