

ACROSS

- Find g with this old swinger.
- Current war protagonist reverses no side.
- Off-timetable?
- A subtle distinction is admitted for an annoying person.
- Cut around bearing taken over.
- ... but not without cause!
- Balls without direction, these assessments.
- Sir Topham Hatt, the controller known thus.
- A toroidal LHC apparatus, one of two experiments that identified "a particle consistent with the Higgs boson".

18. Time to cycle to a full stop?

- In crime, a sure course of action.
- Cruel, ordering inane hum.
- Having receding jaws, tough ass in photo is rearranged.
- Bite-sized chicken tune about a horse.
- Putting off the cost, deal includes wear.

DOWN

- I am missing parenting over carrying the baby.
- In spite of this upset over not wanting a penny.
- UN sea war overturned without warning.
- Springfield mom puts on a great spread.
- Met around nine famous and respected

people.

- This is so obvious, it needs no clue.
- Neptune's eccentric satellite reined over.
- Commanding Officer very loudly gives direction, twice, for a roasting.
- Always gets a reaction...
- For listening with, and at the heart of "learn".
- Dud actor confuses a muscle that pulls parts together.
- Less true about cake topping.
- Sounds like we could make some money out of Mohammed.
- Desert colour?
- Americans trust this on a buck (2,3).
